

# **Science, Technology and Society Module**

## Welcome Message

Hello students.

Welcome to Science technology and Society (STS) we wish that you will enjoy the activities in this subject while you are learning.

We make sure that the readings and materials that we have provided will help you understand the contexts.

We hope that this teaching and learning process will become successful in the midst of pandemic. Using the technology, we can work hand in hand in order to meet our objectives.

At the end of the semester, we expect that you will apply what you have learned, be responsible towards using technology and be a part of society capable of caring the vulnerable environment.

This pandemic may have changed some of our ways, especially in the way we consider our lessons in class. But rest assured that we will make learning about this course as interesting as it is. With your help, we will make learning more enjoyable.

Your Instructor:

**JED ANTHONY A. CEBALLOS**

**Cellphone Number:** 09454927974

## University of Science and Technology of Southern Philippines (USTsP)

The University of Science and Technology of Southern Philippines (USTP) is a state university established on August 16, 2016 by virtue of Republic Act 10919 through the amalgamation of the Mindanao University of Science and Technology (MUST) in Cagayan de Oro City, Misamis Oriental and the Misamis Oriental State College of Agriculture and Technology (MOSCAT) in Claveria, Misamis Oriental. Both campuses are located in Northern Mindanao, the Gateway to Mindanao, which offers a strategic locational advantage for the institution to train and develop students from all the other regions of Mindanao.

It has maintained its Level IV Status as State University (Highest Distinction) as adjudged by the Commission on Higher Education (CHED) and the Department of Budget and Management (DBM) and continues to be one of the 19 leading state universities in the Philippines.

USTP's mission is to bring the world of work (industry) into the actual higher education and training of students, offer entrepreneurs the opportunity to maximize their business potentials through a gamut of services from product conceptualization to commercialization, and contribute significantly to the National Development Goals of food security and energy sufficiency through technology solutions.

The University boasts of a 7.3-hectare Cagayan de Oro campus with state-of-the-art infrastructure and facilities geared towards providing quality education. The conducive and inspiring learning environment with its advanced laboratories and

amenities complements its excellent academic instruction and boost students' learning experience. Its Claveria campus boasts of a 101.37-hectare rich agricultural land. USTP's main campus will eventually be located at the institution's 295.14-hectare property in Alubijid, Misamis Oriental. The University also has satellite campuses in Jasaan, Misamis Oriental, Panaon and Oroquieta, Misamis Occidental.

## USTP Vision

A nationally-recognized Science and Technology University providing the vital link between education and the economy

## USTP Mission

- Bring the world of work (industry) into the actual higher education and training of students
- Offer entrepreneurs the opportunity to maximize their business potentials through a gamut of services from product conceptualization to commercialization
- Contribute significantly to the National Development Goals of food security and energy sufficiency through technology solutions

## Topic 2 Getting to know you

### TRY THIS!

**GTKY: Watch the video clip shown:** Let us discuss: What is meant by this expression "a cup of tea"? The definition of *cup of tea* is an expression that is used to describe something you like, something you are good at or something you enjoy doing.

### Task 1 for Module 1 Individual activity

Encode a 200 words reflection paper about the role of science, technology and society course in attaining the vision and mission of the university. Use Microsoft Word, WPS, etc.

How will I submit my output?

Just send it thru my email: [jedanthonycaballos@ustp.edu.ph](mailto:jedanthonycaballos@ustp.edu.ph) or If you're using your phone in encoding, make a screenshot of it and post it as a comment in our Facebook group pag
